The Marquee Series of LED Mirrors

Your mirror should reflect more than just your image—it should be a reflection of your lifestyle.

The Marquee Series of LED Mirrors incorporates brilliant LED light, warmly diffused by frosted glass, into stylish mirror designs worthy of the Golden Era of Hollywood.

These wall-mounted models are as functional as they are elegant.

Marilyn Wall-mounted LED Mirror with 27.5" Diameter

Unique is beautiful—and the Marilyn, from WarmlyYours' Marquee Series of LED Mirrors, is both. This curvaceous, circular mirror improves any room with vibrant, full-spectrum lighting and an alluring, organic design. The wall-mounted Marilyn features silvered copper-free glass and a 27.5" diameter. Highly efficient supplemental LED light flows through a frosted inner circle, which gives the light a uniquely warm and generous hue.

Features

- Distinctive, circular shape provides a natural focal point for room design
- Frosted inner circle warmly diffuses LED light
- 2,204 Lumens, roughly equivalent to a 150-watt incandescent light bulb
- LED Lifetime: 50,000 hours
- 2-year manufacturer's warranty

Audrey Wall-mounted LED Mirror 36" by 24"

Classic beauty and seamless functionality are a lot to ask of any mirror, but the wall-mounted Audrey, from WarmlyYours' Marquee Series of LED Mirrors, delivers both with effortless poise. This timeless, rectangular model can be installed vertically or horizontally, depending on the needs and aesthetics of your project. Bright, full-spectrum lighting shines through the Audrey's rectangular frosted inner frame.

Features

- Can be installed vertically or horizontally
- A frosted inner frame warmly diffuses LED light
- 3,024 Lumens, roughly equivalent to a 200-watt incandescent light bulb
- LED Lifetime: 50,000 hours
- 2-year manufacturer's warranty

The Marquee Series of LED Mirrors

Ingrid Wall-mounted LED Mirror 36" by 24"

Sometimes, a little goes a long way—nowhere is this more perfectly exemplified than in the Ingrid, from WarmlyYours' Marquee Series of LED Mirrors. This minimalist, rectangular model incorporates two frosted bars which imbue the full-spectrum lighting with a gentle and natural hue. The wall-mounted Ingrid's elegant design is both visually striking and versatile because it can be installed either horizontally or vertically.

Features

- Can be installed vertically or horizontally
- Twin frosted bars warmly diffuse LED light
- 1,944 Lumens, roughly equivalent to a 130-watt incandescent light bulb
- LED Lifetime: 50,000 hours
- 2-year manufacturer's warranty

Judy Wall-mounted 36" X 24" LED Mirror with Built-in Magnifying Mirror and Defogger

There's no reason to search "over the rainbow" for an LED mirror that is as visually stunning as it is highly functional. The Judy backlit mirror, from WarmlyYours' Marquee Series of LED Mirrors, comes with both an elegant design and a bevy of unique features. This hardwired wall mirror also comes with an integrated defogger which will keep the mirror clear of steam. The Judy also comes with an embedded 3X magnifying mirror which is perfect for detailed cosmetic applications like applying makeup or shaving. Brilliant LED light is diffused through a top horizontal bar and an interior circle of frosted glass. The Judy also features 2 different color temperatures for cool or warm lighting, which is controlled with the side-mounted touch power button. The beautiful polished compound bevel around the edge of the mirror gently refracts light around the perimeter and the copper-free glass provides a crisp reflection.

Features

- Integrated 3X magnifying mirror (6.25" diameter)
- Built-in mirror defogger
- Touch activated on/off switch
- Adjustable color temperatures (cool or warm)
- 1,620 Lumens, roughly equivalent to a 100-watt incandescent lightbulb
- LED Lifetime: 50,000 hours
- Safe: cULus listed components
- Streamlined profile with an installed depth of 1.25"
- Horizontal-only installation
- Hardwired installation (120 VAC) eliminates visible wires and plugs
- 2-year manufacturer's warranty
