Be Warm. Be Radiant.

# TempZone™ Easy Mat

TempZone™ Easy Mats provide an affordable way to add radiant heating to smaller spaces. Ideal for “spot-heating,” they can be installed in front of kitchen appliances or bath fixtures, delivering warmth where you need it most.

Featuring durable fluoropolymer heating cables, these 120-volt mats ensure long-lasting performance and even heat distribution. Perfect for moderately sized bathrooms, kitchen floors, or high-traffic areas in larger kitchens.

12 SIZES

cULus LISTED

Floor Sensor Included
