This certificate confirms that representative samples of RADIANT HEATING EQUIPMENT
See Addendum Page for Model(s)

Have been evaluated by UL in accordance with the Standard(s) indicated on this Certificate.

Standard(s) for Safety: UL 1683 - Outline of Investigation for Electric Heating Products for Installation Under Floor Coverings
CSA C22.2 No. 130 - Requirements for Electrical Resistance Heating Cables and Heating Devices Sets

Additional Information: See UL Product iQ® at <https://iq.ulprospector.com> for additional information.

This Certificate of Compliance indicates that representative samples of the product described in the certification report have met the requirements for UL certification. It does not provide authorization to apply the UL Mark. Only the Authorization Page that references the Follow-Up Services Procedure for ongoing surveillance provides authorization to apply the UL Mark.

Only those products bearing the UL Mark should be considered as being UL Certified and covered under UL's Follow-Up Services.

Look for the UL Certification Mark on the product.
